We fully appreciate that choosing a school for your family is a complex and important decision and we will be able to answer all the questions that you may have.

We like to work closely with parents/carers and we recognise it is important that you choose a school where you feel confident your child will be cared for, valued and most importantly will be happy. Your child will then be ready to learn.

Staff and governors are all very proud of this school and we look forward to welcoming you so you can see what a happy, exciting place it is.
