Thursday 13th October 2022

Dear Parents/Carers,

After a very busy week last week with the completion of our Ofsted inspection after 5 years, I would like to write to you today to thank you all for your contributions in the Parent Survey that formed an important part of the rigorous and thorough two-day inspection process.

We have been informed by the inspection team that the judgments they have concluded about our school now need to go through the quality assurance process and therefore we are unable to comment or share their findings with our school community until this process has been completed.

Once the report is written and has been shared with Governors, every parent and carer will receive a copy that will inform you about the Quality of Education, Leadership and Management, Behaviour and Attitudes, Personal Development and Early Years. We have been informed that this could take up to four weeks to complete.

We can tell you, however, that the inspectors found your children delightful and were impressed with their work. As always, we are proud of each and every one of them.

The Governors and I would also like to take this opportunity to formally thank all of the staff who have pulled together and worked so hard last week. What an amazing team we have!

One again I would like to extend my thanks for your support and kind messages that we received during our inspection and we look forward to sharing the final outcome with you once received.

Yours sincerely,

Marek Krzanicki
Headteacher

Dr Simon Spooner
Chair of Governors
